News ■ Events ■ Publications

Peter A. Pavarini represents health care providers in a full range of strategic, regulatory and financial matters including hospital affiliation strategies, acquisitions and mergers of health care facilities, compliance plans, joint ventures and capital formation. Mr. Pavarini is co-chair of the firm's Health Care Reform Task Force. He has been listed for health care law in *The Best Lawyers in America* each year since 1991 and has been selected as an Ohio Super Lawyer each year since 2005.

Mr. Pavarini is a regular speaker and presenter on health care issues particularly on the topic of hospital physician integration and health system strategy. He presented "Toward Accountable Care: Provider Integration After Reform" at the American Health Lawyer Association's Health Reform Conference in May 2010.

Mr. Pavarini is also the author of numerous articles including "Why Hospitals Are Employing Physicians (Again)," *SRR Newsletter*, Spring 2009, and the legal chapter for *Essentials of Health Care Finance*, 7th edition, 2010. He also contributed to "The Right Ways to Employ Physicians – Hospital-Physician Alignment Case Studies," *Great Boards*, Spring 2009. Mr. Pavarini served as the editor in chief of *United States Health Care Law and Rules*, published by the American Health Lawyers Association (AHLA) from 1994 to 2006.

Mr. Pavarini serves on the board of directors and Executive Committee of the American Health Lawyers Association and is a member of the American, Ohio and Columbus Bar Associations. He is the past chair of The Ohio State Bar Association's Health Care Law Committee, and also a member of the Ohio Society of Healthcare Attorneys and the North Carolina Society of Healthcare Attorneys. Mr. Pavarini has been a visiting lecturer at The Ohio State University's Fisher School of Business and Capital University Law School.

Representative Experience

- Designing and developing a highly successful physician integration model which employs more than 200 physicians for a multi-hospital system resulting in a dramatic increase in financial performance and quality of care.
- Providing counsel in the syndication of more than 20 ambulatory surgical centers including one that was converted to a specialty surgical hospital.
- Providing counsel in the development of more than 150 primary
