

Top Honors

American Health Lawyers Association Congratulates and recognizes law firms and healthcare organizations that have the most members belonging to AHLA

This “Spotlight on Leaders” issue lets us recognize and thank the many leaders who make AHLA’s success possible. It is also the issue that gives us the opportunity to honor the organizations ‘behind the members’—those law firms, healthcare organizations, government agencies, and consulting and accounting firms that consistently and enthusiastically encourage and sustain their members’ and employees’ affiliation with AHLA. We want to thank both the organizations as well as the many members who help make AHLA a strong and vibrant presence in the healthcare field and legal community.

The AHLA Top Honors—now in its eighth year—represents the number of attorneys at the firm who were members of the Association as of July 25, 2011.
