**Douglas Hastings Recognized as
Winner of 2010 David J. Greenburg Service Award**

Washington, DC, September 7, 2010 – The American Health Lawyers Association (AHLA) is pleased to announce that **Douglas A. Hastings**, of Epstein Becker & Green PC, has been named the recipient of the Association's David J. Greenburg Service Award for 2010. AHLA presents the David J. Greenburg Service Award annually to an individual who has shown great loyalty to the Association throughout his or her career and has made significant contributions to the growth and life of AHLA.

Mr. Hastings currently serves as Chair of the Board of Directors of Epstein Becker & Green PC. He is a Member of the Firm's Health Care and Life Sciences Practice in the Washington, DC office. He is a Past President of AHLA (2001-2002), a member of the inaugural class of AHLA Fellows in 2005, and has served in a number of leadership positions within the organization. Mr. Hastings is a frequent speaker at AHLA programs including the Annual Meeting and In-House Counsel Programs, the Fraud and Compliance Forum, and the recent Health Care Reform: The Law and Its Implications Program.

"Doug Hastings' service to AHLA embodies the ideals established for the awarding of the David J. Greenburg Award," said AHLA's President Richard L. Shackelford. "Doug has served on the Board and as President, emphasizing the Association's fiscal strength and service to members. Since he retired from the Board, he has worked tirelessly on Public Interest projects, including collaborations with the OIG on the importance of good governance and more recently on the challenges and opportunities presented by Accountable Care Organizations." According to Peter M. Leibold, AHLA's CEO, "Doug has consistently demonstrated fidelity and commitment to the Association's mission to serve as an educational and informational resource both for its members and the public at large."

The award is named after David J. Greenburg, who was instrumental in the formation of both the American Academy of Healthcare Attorneys and the National Health Lawyers Association. AHLA's success today is due in large part to Mr. Greenburg's creativity, entrepreneurship, and vision.
